Dear Sir/Madam,

## **THE 108<sup>TH</sup> MALAYSIAN AMATEUR OPEN GOLF CHAMPIONSHIP 2010**

*Warm greetings from Malaysian Golf Association!*

The Malaysian Golf Association is calling for "Bids" for the 108<sup>th</sup> Malaysian Amateur Open Championship to be held from May 20-23, 2010. This BID PACKAGE is offered to affiliates to be in partnership with the Malaysian Golf Association (MGA) as a Host Venue for the 108<sup>th</sup> Malaysian Amateur Open Championship which was inaugurated in 1894. Please find attached the history of the championship for your reference.

Over the years, the championship has steadily grown in stature to become one of the region's major amateur golf championships and now included in the World Amateur Golf Ranking, which ranks the world's top amateur golfers. Like in its previous editions, top amateur players in this region are expected to participate. Beginning last year, the ladies' event has been included in the Championship. It is our objective that the MAO will grow in quality, image, and awareness and maintain its status as the top amateur open in the region.

We look forward to collaborate with the Host Venue to develop and produce a world class event. We hope to promote it to an audience that is wider and more diverse. We will work with the Host Venue on a more extensive promotional plan to achieve broader goals and greater potential profit for both parties and find ways for the Host to cover costs of expenditures for the event.

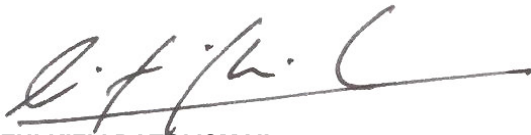

This is an opportunity for the selected club to showcase its courses and facilities to the local golfing fraternity as well as the APGC Countries through the participation of their top leading amateurs in this prestigious event.

If your club meets the standard and wish to Bid to Host the 108<sup>th</sup> Malaysian Amateur Open Championship please do so via the attached "Bidding Form" before 8<sup>th</sup> October 2009. You are also invited to attend the 108<sup>th</sup> MAO presentation at MGA which will be arranged soon where the program of events, budgets, etc will be provided to enable your club to confirm your acceptance.

We hope to hear from you soon.

Thank you and best regards

Yours sincerely,  
**for Malaysian Golf Association**
