The Golf Captain
The General Manager
The Club Manager

Affiliated Clubs of Malaysian Golf Association

Dear Sir/Madam,

RE: CHARGES FOR REBUILDING NHS INSTALLER & DATABASE CD

Greetings from Malaysian Golf Association!

The NHS Software Installer & Database are provided to all Clubs at no charge when clubs participate in the NHS. However lately, we have received lots of request to rebuild the Installer & database due to frequent breakdown of NHS PC in clubs, which in turn had damaged or corrupted the system.

As there is cost involved in rebuilding the Installer & Database, the MGA Committee has decided to charge clubs for rebuilding the NHS Installer & Database CD when a replacement is made. The following are the standard charges incurred for this process: -

- | | |
|-----------------------------|-----------|
| • Installer | RM 100.00 |
| • Database | RM 250.00 |
| • Out of pocket expenses | RM 13.00 |
| • (Admin, Courier and CD) | |
| • Replacement for NHS Cards | RM 15.00 |

Total: RM378.00

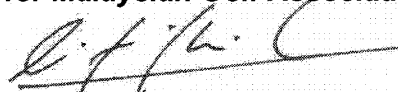

We suggest you keep the NHS Installer after installation in a safe place so that it won't get misplaced and easier to retrieve when your PC is reformatted

Should there be any queries, please contact Mr Sobaan Ramlu at 03-92837300.

Warm Regards,

Thank you.

Yours sincerely,
for Malaysian Golf Association

ZULKIFLI DATO' ISMAIL
Honorary Secretary
