Dear Sir/Madam,

RE: COMPUTER VIRUS ALERT

Greetings from Malaysian Golf Association!

Please be informed that recently, we have found that the computer virus activities are on the increase again.

We have detected viruses breeding from US and China and expecting more threats. Please make sure your NHS computers are fully protected with at least one effective anti-virus software and update them regularly.

We hope you will follow this procedure to prevent virus problems in your club computer system, which in turn could corrupt the NHS data's.

Thank You,

Your sincerely,
for Malaysian Golf Association

V.RAVINDRAN
General Manager
