To All MGA Affiliated Clubs/Event Managers/Organizers

Dear Sirs/Madams,

REMINDER ON SANCTION AND LICENSE REQUIREMENTS

Greetings from Malaysian Golf Association

Kindly be reminded that all event organizers/managers must apply for a sanction to organize any amateur events. MGA as the Governing Body of Golf in Malaysia is responsible for all matters concerning golf competitions and golf development. Any golfing competition organized at our Affiliated Clubs must get a sanction due to the following reasons:

1. The Sports Development Act, Section 36, requires organizers of sporting events to apply for a '**License**'. In order to apply for a 'License', a sanction must first be obtained from MGA.
2. Event Organizers, sponsors or Host Clubs of private Competition should inform the 'Commissioner of Sports' of such intentions and apply for a '**License**'. The purpose is to ensure that Organizers of these events have sufficient funds and the Technical support required for running these events.
3. To ensure Organizers report any breach of Amateur Status.
4. To implement the proper use of the applicable Handicaps of every participant, in order to ensure all participants play on a level playing field.
5. Ensure that the competitions are conducted properly and adhere to 'The Terms and Conditions, Rules and Regulations and Tournament Set-up'.

Please take note that failing to obtain a sanction from MGA and a license from the Commissioner of Sports, a company is liable for a RM5, 000.00 fine and they may be debarred from organising events.

Further details on the requirements of sanction and how to obtain a license from the Commissioner of Sports can be downloaded from our website, www.mgaonline.com.my under Competitions & Rules drop down menu. The Competitions & Rules page can be found under the Information bar of the website Front Page.

We would also like to remind all that you must submit the score cards of all participants two weeks after the completion of each event to MGA.

We hope the above would be adhered towards the betterment of golf in the country.

Thank you and best regards

Yours sincerely,
Malaysian Golf Association
