## **PRIVILEGES AND OBLIGATIONS OF AN AFFILIATE OF MGA**

Welcome to Malaysian Golf Association. As an affiliate, the following are a summary of your privileges and obligations to MGA.

1. MGA is the National Governing Body for Amateur Golf in this country and as an affiliate your club will be able to participate in all the activities of MGA.

2. Amateur Status.

The MGA as an affiliate of the World Amateur Status Golf Council applies the R&A Rules of Golf and strictly enforces and up holds the Rules of Amateur Status, as laid down. Your cooperation in reporting and furnishing details of your members or any others breaching the above will be very much appreciated.

3. The USGA and National Handicapping System (NHS).

The MGA as a licensee of the USGA is authorized to use the USGA Handicap System and all marks using the "USGA". The MGA then sub-licenses Affiliated Clubs to use this system. You are requested to comply with the USGA Handicap System in computing your member's handicaps.

The NHS applies the USGA's Handicap System for computation of Members handicap through the MGA's Data Center. In order for us to do this, your Club has to apply to join the NHS. Your Club will be **charged RM 1.00 per person (per month) for member Club** and **RM 5.00 per person (per month) for public Club** for the processing and printing of the NHS Handicap Cards. The billings to clubs will be made on a yearly basis. At the end of the year, upon reconciliation based on the actual number of cards printed, a final statement of accounts will be sent to clubs reflecting the variation for the settlement of the bill.

(For more details, contact the MGA). Affiliated Clubs participating in the NHS will be given the Software free of charge. Note: Only Clubs that have their golf courses, 'Course and Slope Rated' will be accepted into the NHS.

The important features of the NHS is that it prints out a Handicap Card for every golfing member of your club, every month showing:

- a. Golfer's Name NHS
- b. Number
- c. Club Membership Number
- d. Handicap Index
- e. Course Handicap
- c. Home Club
- d. Last 20 Scores
- e. Course and Slope Rating
- f. Tournament Scores
- g. Scores for Calculation
- h. Away Scores
- i. Number of Rounds Played this Year.

4. Course and Slope Rating (CSR).

All Golf Clubs must be Course and Slope Rated. Course Rating is calculated on the total yardage of your golf course (18 holes) and the Slope Rating is the value of the difficulty of the golf course. These ratings differ from Club to Club and are incorporated into the Handicapping System for computation to determine a Handicap Index for each member. The Rating fee for 18 holes and less for Blue & White Tees is RM1,000.00 and for the Red Tees is RM700.00.

5. Voluntary Contributions

The MGA being a non-profit Voluntary Organization needs funds for all its activities. The income from Annual Subscriptions and other activities is not sufficient to run its activities, especially when the major parts of its funds are spent on the National Team's training, allowances, supply of equipment and apparels and participating in Local and International Tournaments.

We seek your member's kind cooperation and assistance to voluntarily contribute some money to the MGA annually. (Statistics show that the annual subscription paid to MGA equals to 0.4 cents or less per member per month).

6. Entrance Fee and Annual Subscription

The entrance fee is RM2,500.00 for a golf course of less than 18 holes and RM5,000.00 for 18 holes and above.

January in each year. Any affiliate having failed to pay such subscription by the 1<sup>st</sup> day of May shall cease to be a member unless re-instated by the Association in the General Meeting.

7. MGA Sanctioned Tournaments

Affiliated Clubs can bid to organize sanctioned and sponsored tournament. However, deciding on the Venues and Host Clubs for sponsored tournaments is the prerogative of MGA. Clubs offered sanctioned tournaments must prepare at least 3 months ahead of the date proposed, and treat it as a Club event. It is the obligation of the Club to inform potential organizers the necessity to get a license from the Commissioner of Sports. You should also seek the advice and assistance of the State Representative.

MGA's Associate Members

8. MGA's has this category of individuals termed "Associate Members". These individuals do not belong to any golf club with property. (Golf Course). To be Associate Members they can pay an Entrance Fee of RM200.00 and an annual Subscription of RM120.00, renewable upon expiry.

They are attached to 'Mini Clubs' i.e. Golf Driving Ranges, Corporations, Sports Club's Golf Section etc. Please give them discounts on your green fees and allow them to use some of your facilities. Note: Please check their MGA Associate Member's Membership Card, especially the EXPIRY Date and Handicap Card before any benefit is extended to them.

Junior Development Fund

9. It is compulsory for Clubs to pay the Annual Junior Fund, which is used by MGA for its Development Projects, participation in Tournaments, both Local & Overseas. However, all Clubs are encouraged to organize and fund their own Junior Development Programs for your member's children. Call MGA if you need any assistance in setting up these classes.

Group Insurance.

10. The MGA has sought the assistance of AXA AFFIN Insurance (M) Bhd to formulate a very comprehensive Group Cover for all Golfers at a minimum of RM70.00 per year. Cheaper rates are offered to Spouses and Family Members. Club participating in this scheme will retain a certain percentage of the money collected. The system also ensures that all members covered will have their policy renewed on 1<sup>st</sup> January the following year. Renewal is automatic.

11. The National Team.

Members of Golf Clubs affiliated to MGA are eligible to participate in this trials, to qualify for a place in the National Team. Trials and competitions are held from time to time. Exceptionally good performances by golfers in your club will also be recognized and deserving players can be recommended to MGA. You may submit the names of such golfers to MGA for consideration.

Current National Squad members would also from time to time request to play on your Golf Course, your cooperation and all courtesies extended to them will be greatly appreciated.

12. CONCLUSION
